

Interior Wor**X**

InteriorWorx is often featured in Inc. 5000's annual list of fastest-growing private companies in America.

Your Partner for Interior Finish Solutions

InteriorWorx assists commercial and residential builders, architects, designers, and their clientele with complete interior finish packages, improving both builder productivity and buyer or tenant satisfaction.

We offer:

- Proven, comprehensive finish trade solutions.
- National pricing, rebates, and incentive programs.
- Exclusive programs with leading manufacturers, drawing on a wide array of products.
- A dedicated warranty department, providing “peace of mind” and service to buyers after the sale.
- Local, professional installation expertise.
- A team of installers that is readily available—a real benefit in a constrained labor market.

The InteriorWorx portfolio of companies includes the most experienced and respected craft and trade specialists in the industry.

The Builder Design Center (BDC) partners with homebuilders to provide buyers with a complete interior finish package, walking customers through the design process and guiding them in selecting the right personal touches for their homes.

OUR COMPANIES

Modern Classic Cabinets is an experienced cabinet manufacturer providing cabinetry, drawers, shelving, and storage solutions in multiple combinations and paint finishes.

Aspen Countertops offers granite, quartz, solid surface, plastic laminate, and eco-friendly countertops to best fit the design, function, and price requirements on your next project.

Krosswood Doors' quality, large inventory, five-year warranty, and popularity among customers and builders make us one of the leading manufacturers of wood stile and rail doors in the world.

R&G Moulding precision tooling and superior manufacturing technology (done entirely in-house) delivers greater cost savings, shorter lead times, and higher-quality products for our customers.

Essentia is the West's leading provider of flooring and full-spectrum commercial interior solutions for building projects large and small. We'll work with you to find the best solution to meet your schedule, budget, and project requirements, providing a solid foundation for real results.

InteriorWorx is the nation's largest remodeler. We work with banks and large property owners and managers, providing them with specialized services that focus on distressed residential homes. We partner with the most respected builder providers to install new flooring, lighting, cabinets, and appliances. Our one-stop solution helps clients transform homes to meet FHA requirements so they can be sold quickly and at higher prices.

We also work with large-scale remodelers in Utah, Idaho, and Arizona, providing them with the full spectrum of products and services from our Builder Design Centers.

We are a two-time recipient of the
#1 remodeler in the USA.
